4. Usage Guide & Performance Tips

4.1 Before First Use

Pre-Chill the Cooler: Before initial use or after long storage, pre-cool the interior with ice packs or ice to improve thermal performance.

Pre-Cool/Freeze Items: Chill or freeze food and drinks beforehand to extend cooling duration.

4.2 During Use

Minimize Opening: Frequent opening reduces cooling efficiency.

Secure Latches: Always ensure latches are fully closed to maintain an airtight seal.

Load Smartly: Place heavier items at the bottom and lighter ones on top to allow proper air circulation.

4.3 After Use – Cleaning & Maintenance

Cleaning: Wipe interior and exterior with a soft cloth and mild detergent. Do not use abrasive or corrosive chemicals.

Dry Thoroughly: Air-dry completely in a ventilated area before storing to prevent odors or mold.

Storage: Store indoors in a cool, dry place away from direct sunlight and high temperatures.

5. Precautions & Safety Information

Do not expose the cooler to extreme heat (e.g., inside a car under direct sunlight).

Do not store flammable, explosive, or corrosive materials inside.

Do not allow children to use or play with the cooler unsupervised.

If you notice cracks, damaged insulation, or other abnormalities, discontinue use and contact customer service.
